Dedications to the Wedding site:

From the Town of Crested Butte, head north on Gothic Road (CR 317) towards Mt. Crested Butte. In about 0.6 miles from the northern edge of Town, take a left (northwest) on Slate River Road (CR 734). Follow Slate River Road for approximately 3.6 miles until a split in the road. (Slate River Road is accessible in most two-wheel drive sedans; however, the road does turn to dirt before the wedding site). Take a left on Gunsight Pass Road (FS Road 585) towards Gunsight Bridge. Shortly after leaving Slate River Road, there is a trailhead kiosk and a parking area outlined in boulders. This is the parking area for the wedding site. After parking, follow the single-track trail towards Gunsight Bridge. Right after you cross the bridge, head left (southeast) into the meadow that is visible from the bridge. The Meadow that is visible from the bridge is the wedding site.

Alternatively, you can access Gunsight Bridge and the wedding site by biking or hiking on the Lower Loop trails from the Town of Crested Butte.

As a reminder, please remain on designated trails and in the wedding site only!!!

As part of your wedding contract, you are only permitted to leave the designated trails and roads at the wedding site. The boundary of the wedding site is defined by the open meadow that is visible right after you take a left from the bridge. Failure to do so will result in the loss of your deposit.

****Weddings cannot occur in the river channel or on Gunsight Bridge!****

Thank you and Congrats!!
